strange,
but he'll take the strain
on the railway.

Salty is the

he'll tell a tale or two.

Arthur too, is shy, but true ...
he'll be there for you.

NEW FRIENDS!

Meet Arthur - He was very proud of his "spotless" record...

until, that is, he ended up in a small "jam!"

Arthur

But friends always find a way to forgive.

This is my friend Emily.

Jack & Alfie

Meet Alfie and Jack - Alfie is an excavator and Jack is a front loader.

Jack is always eager to help but must remember the quarry motto "safety first!"

Alfie's favorite expression is "more dirt means more fun."

At first, Percy thought she was taking Annie & Clarabel from me.

ew Friends!

Murdoch

Wow - This is Murdoch -
He has 10 drive wheels!

He started off on the
wrong "wheel" with the
other engines...

Emily

After she saved Oliver and me
from a close encounter
Sir Topham Hatt rewarded her
with her own coaches.

but soon realized that he
needed his new friends!

Spencer is the shiniest,
sleekest engine on the island.

Spencer

He thought he didn't need
his new friend's advice...

but quickly learned to listen
to Gordon!
